## Champagne

Champagne Taittinger Prelude “Grands Crus”, France  
*One of the rare Champagne Houses still owned and managed by descendants of the founders, Taittinger is famous for its superb “Comtes de Champagne” luxury blend that comes only from Chardonnay grapes. Pierre-Emmanuel Taittinger has now created “Prelude” a 50% Chardonnay and 50% Pinot Noir blend from only Grands Crus vineyards classified 100%. Aged for more than five years in their historic cellars in Reims, its balance of freshness and aromatic expression is outstanding.*

## White

### 2010 Mud House Sauvignon Blanc Marlborough, New Zealand

*New Zealand’s Marlborough region is home to many of the world’s most distinctive Sauvignon Blanc wines, and Mud House is one of Marlborough’s most respected producers. The grapes for this wine were grown in the sub-regions of Wairau, Awatere and Ure Valleys, and the wine made by Nadine Worley. This wine’s racy and vibrant style has a strong international reputation and is typified by a lifted herbaceous leafy aroma and crisp mouthwatering acidity and wonderful freshness.*

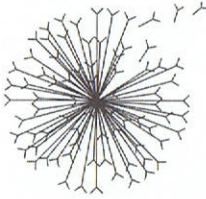

### 2012 Bouchard Pere Et Fils Pouilly-Fuisse, Maconnais, Burgundy, France

*The white wines of Pouilly-Fuisse are the best and most famous from the region known as the Maconnais in southern Burgundy. This beautifully balanced wine is made from 100% Chardonnay grapes that achieve perfect ripeness in the lightly sloping vineyards on marl and limestone soil. Their pale golden colour leads to white flower aromas with a touch of dry honey, with broad fruit flavours and a rounded, dry finish.*

Red

**Dandelion Vineyards**  
Lionheart of the Barossa  
Shiraz

## 2011 Dandelion Vineyards 'Lionheart Of The Barossa' Shiraz, Barossa Valley, Australia

*Dandelion is an exciting partnership between renaissance wine man Zar Brooks, his highly acclaimed winemaker wife Elena, and the Lindner grape growing family. The vines for Lionheart are old and gnarled and produce Shiraz of great flavour, intensity and softness. A contemporary style from the internationally acclaimed Barossa Valley.*

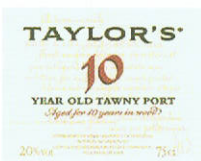

## 2010 Château Loudenne Médoc Cru Bourgeois, Bordeaux, France

*Already famous from the early 19th century, the vines of the elegant Château Loudenne with its rose-pink facade sweep down to the wide Gironde Estuary. For generations Cabernet Sauvignon and Merlot grapes have made here one of the most elegant of Bordeaux's classic clarets and in the 2010 vintage they have surpassed themselves.*

---

Port

## Taylor's 10-Year-Old Tawny Port, Portugal

*Founded in 1692 and still in family hands, Taylor's holds one of the largest reserves of oak-aged Port, wines that lose their dark red colour in the barrel to become "tawny" and gain a supple, spicy, nutty sweetness of flavour. The perfect accompaniment to cheese, this wine also pairs very well with chocolate desserts.*
